Professional Summary

Experienced architect with a passion for innovative design and sustainable solutions. Skilled in project management and client communication, with a strong attention to detail.

Work Experience

Senior Architect - ABC Architects (2015-Present)

- Lead design projects from concept to completion, overseeing a team of junior architects.
- Collaborate with clients to ensure their vision is translated into functional and aesthetically pleasing designs.
- Manage project budgets and timelines to deliver high-quality work within constraints.

Architectural Intern - XYZ Design Studio (2013-2015)

- Assisted senior architects in drafting and designing architectural plans for residential and commercial properties.
- Conducted site visits and analyzed building codes and regulations to ensure compliance.
- Contributed to design presentations and client meetings, gaining valuable experience in client relations.

Education

Bachelor of Architecture - University of Architecture & Design, 2013

Skills

Technical: AutoCAD, Revit, SketchUp, Adobe Creative Suite

Soft Skills: Project Management, Communication, Problem-Solving

Projects

Residential Renovation - Lake House Retreat

Redesigned a lakeside property to maximize natural light and enhance views, incorporating sustainable materials and energy-efficient systems.

Commercial Complex - City Center Tower

Designed a mixed-use development in the city center, integrating retail spaces, offices, and residential units to create a vibrant urban environment.

Certifications

Registered Architect - State Board of Architecture

Hobbies & Interests

Traveling, Photography, Hiking
