Professional Summary

Experienced architect with a passion for designing innovative and sustainable structures. Skilled in project management and collaborating with clients to bring their vision to life.

Work Experience

Senior Architect - Design Group Inc. (2017-2021)

- Oversaw the design and construction of multiple commercial buildings, ensuring adherence to building codes and client requirements.
- Managed a team of junior architects and interns, providing guidance and mentorship throughout the project lifecycle.
- Collaborated with contractors and engineers to resolve design challenges and ensure project timelines were met.

Architectural Designer - Creative Spaces LLC (2014-2017)

- Designed residential properties with a focus on energy efficiency and sustainability, earning recognition for environmentally conscious designs.
- Prepared detailed drawings and specifications for construction, ensuring accuracy and compliance with regulations.
- Worked closely with clients to understand their needs and preferences, incorporating feedback into the design process.

Education

Bachelor of Architecture - University of Architecture (2014)

Skills

Technical: AutoCAD, Revit, SketchUp, Adobe Creative Suite

Soft Skills: Communication, Problem-solving, Time Management

Projects

Commercial Office Building - Design Group Inc.

Designed a LEED-certified office building, incorporating sustainable materials and energy-efficient systems to reduce environmental impact.

Modern Residential Home - Creative Spaces LLC

Created a contemporary home with open-concept living spaces and natural light, focusing on maximizing space efficiency and aesthetic appeal.

Certifications

Hobbies & Interests

Outside of work, I enjoy hiking, photography, and volunteering with local community organizations.
