Professional Summary

Experienced software developer with a strong background in full-stack development. Skilled in multiple programming languages and frameworks, with a passion for creating innovative solutions.

Work Experience

Senior Software Developer - XYZ Tech (2018-2021)

- Developed and maintained web applications using Java Spring and AngularJS.
- Led a team of developers in implementing new features and resolving technical issues.
- Collaborated with stakeholders to gather requirements and ensure timely project delivery.

Software Engineer - ABC Solutions (2015-2018)

- Designed and implemented RESTful APIs for a mobile application using Node.js and Express.
- Optimized database queries to improve application performance and scalability.
- Participated in code reviews and provided mentorship to junior team members.

Education

Bachelor of Science in Computer Science - University of Technology, 2015

Skills

Technical Skills: Java, JavaScript, Node.js, Angular, Spring, SQL

Soft Skills: Team Leadership, Problem-Solving, Communication

Projects

Online Marketplace Platform

Developed a scalable online marketplace platform using Java Spring and AngularJS. Implemented user authentication, product catalog management, and payment processing features.

Task Management App

Created a task management app with Node.js and React. Users can create, assign, and track tasks, set deadlines, and receive notifications. Implemented real-time updates using WebSockets.

Certifications

Oracle Certified Professional, Java SE 8 Programmer

Hobbies & Interests

In my free time, I enjoy hiking, playing the guitar, and volunteering at local animal shelters.
